## Features

Please be aware that the features/specifications can differ from country to country.

- Deceptively powerful, it pumps out 70W x 5 total power plus 120W subwoofer
- Elegant design with glass top plate and premium gloss finish seamlessly integrates with 40" - 46" BRAVIA LCD TVs.
- BRAVIA Sync for simple, integrated control with other compatible products
- All digital S-Force PRO Front Surround technology creates a virtual surround sound experience without cluttering your room with extra speakers
- 3 HDMI™ inputs (1 out) with pass through of High Definition 1080p
- Sony DIGITAL MEDIA PORT - connect to and release digital music stored on your WALKMAN® or other mp3 players, mobile phones, Bluetooth® and Wi-Fi devices
- Portable Audio Enhancer function boosts quality of compressed music such as mp3's
- 32-bit S-Master digital amplifier delivers crystal clear CD quality sound for playback faithful to the original source
- x.v. Colour and 24p True Cinema technology adjusts picture settings on pass through to make movies look as authentic as the original
- Multi Channel Linear PCM for true High Definition sound from Blu-ray Disc™ players
- Subwoofer is built with a vibration-cancelling design, for superb bass without annoying the neighbours, and night mode for great sound even at low volumes
- Cable management system for the cleanest possible solution to surround sound
